Hp Elitebook 8530p Pci Serial Port Driver

) is a hp pavillion dv6 (1125ei) notebook here an 'unknown device' driver not loaded the hardware id is acpi hpq004 (double zero fout and not thriple zero four) can anyone help? Kegobeer thanks for input.

1. elite driver training port macquarie

I'm operating on a desktop intel dq35j0 and clean installed window 7 ultimate In device manager two errors appeared pci serial port driver not installed (code 28) simple communications controller driver not installed (code 28) checked hardware id's in device manager as follows pc ven8086&dev29b7&subsys4f4a8086&rev02 for serial port driver and the same hardware id for the simple com controller Ive tried to search these drivers on intel site but get lost as to wher I may find these drivers.. The same issue is a problem on two other pc's after cleaninstall of win 7 1) is an hp dx2000 nt here the network controller driver has not installed the hardware id is pci ven0675&dev1702&subsys6692&rev00 2.
